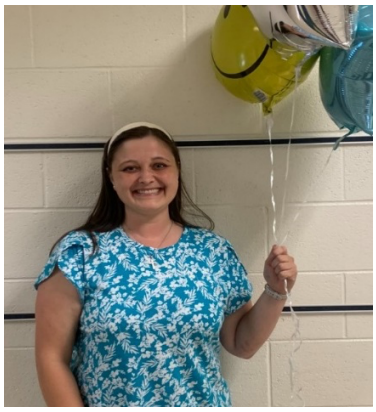
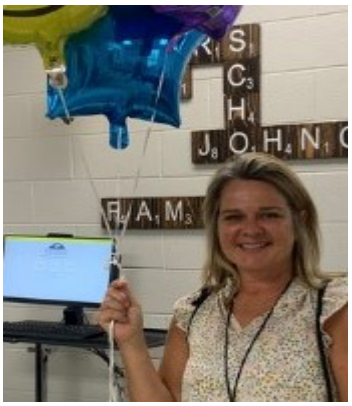
CONGRATULATIONS TO OUR STATE EXCELLENCE IN ECONOMICS AWARDS WINNERS!

Laura Sunder-Rao from Elkton Elementary School created a lesson titled*, Making Lemonade Out of Lemons*. Her lesson placed FIRST in the state!



Michelle Hunt from Smithland Elementary School created a lesson titled, *Creating an Economics-Minded Classroom*. Her lesson placed SECOND in the state!



Anne Green from John C. Myers Elementary School created a lesson titled, *Sweetanomics*. Her lesson placed THIRD in the state!

We are so excited to celebrate these awesome educators! If you happen to see them in your halls, please take a moment to congratulate them. Laura, Michelle, and Anne will be recognized in Richmond this December. Great work Ladies! We would love to help you find ways to integrate economic and personal finance concepts into your class. Please let us know how we can assist you.

CONGRATULATIONS TO JULIE CARAN ON HER NATIONAL WIN!

We want to take the time to congratulate **Julie Caran from Stuart Hall**. Julie received the John Morton Excellence in the Teaching of Economics Award for Middle School at the Council for Economic Education last week. She has been a huge supporter of the Center. Julie has participated for the past 6 years with our local GEM Fair. We are so proud of you Julie!

Quick Hit: Teaching Social Issues through the Economic Lens

December 6: 4:00-5:00
220 University Blvd, content for grades 9-12

This **hybrid** program is designed for teachers to attend **online** OR **in-person** and will introduce a NEW curriculum designed to help teach how to view social issues through the economic lens. We will introduce the curriculum topics as well as how to access them. Individual activities discussed will center around the "Tips for Using Economics to Teach Social Issues" lesson and the "Can we House the Homeless?" lesson.
