

Hawai'i Endangered Bird Conservation Program
Ongoing internships available
Maui & Big Island, Hawaii

AVICULTURE interns wanted for the Hawai'i Endangered Bird Conservation Program at the Keauhou Bird Conservation Center (KBCC) on the Big Island of Hawai'i and the Maui Bird Conservation Center (MBCC) on the island of Maui. The program was initiated to produce captive-reared endangered Hawaiian birds for release into the wild population to boost decreasing numbers. Daily tasks include husbandry duties such as: diet preparation, aviary and facility maintenance, behavioral observations of breeding birds, grounds keeping, predator control.

Applicant must be able to live with several roommates in a remote area and should show enthusiasm for work with captive endangered Hawaiian birds. Applicant must have a valid driver's license and health insurance. Internships last for a 3-6 month period. Interns receive \$20/day stipend plus housing.

To apply for an internship at KBCC, please send a resume, cover letter and three references to: Robby Kohley P.O. Box 39 Volcano, HI 96785 or fax: 808-985-7034.

To apply to MBCC, please send this information to: Amy Poopatanapong 2375 Olinda Road Makawao, HI 96768 or fax: 808-572- 3574.
