

Application for Second Year Assistantship (3 pages)

The student should give the completed form to the Graduate Director by February 6, 2006. In addition, request that your faculty advisor, course instructors and other relevant faculty submit email evaluations of your degree progress to the Graduate Director by this date.

Student (print/type): _____

Track (circle one): Thesis Nonthesis

Assistantship sought (circle one): Teaching Research

If you are applying for a **Teaching Assistantship** please answer the following questions.

1. Which lab(s) did you teach under mentored supervision during the fall semester? Who was your mentor?

2. How would you rate your preparation to teach lab(s) next year? Do you anticipate that you will be ready to teach your lab(s) next fall without faculty supervision? Are there areas where you might require additional mentoring or supervision? Please answer these questions carefully. Continue your answers onto another page if necessary.

3. Coursework
