

SLP for Midland, TX

We are a 60-bed rehab hospital and we are currently staying in the high 20's and expect the census to go up as high as 30's to 40's.

Setting is mostly Inpatient with some Outpatient. We see mainly stroke patients and a few brain injury patients, ortho/neuro.

We have 1 SLP that is full-time and 3 PRN SLP's and one PRN SLP. We are able to mentor a CFY.

We are updating the facility and renovating the outside and inside so it will be like brand new. There is not much turnover at this facility. Everyone has been here for years and it's a great place to start a career and we welcome a CFY.

Starting salary for a new grad is \$50,000 (maybe a little more)

Sign on bonus is \$5,000

Relo is negotiable

Tuition reimbursement for student loans is up to \$10,000 with a 2 year commitment and \$5,000 with a one year commitment.
