

It's all about putting people first

The philosophy behind Peoplefirst Rehabilitation is simple - to make people our highest priority; our patients and residents, their family members, our therapists and the facility team members with whom we work.

Are you ready to be put first and love your job?

A career as a therapist with Peoplefirst Rehabilitation is a unique opportunity to make a difference in other peoples' lives while improving your own. State-of-the-art rehab equipment and programs and we provide extensive training in modalities, program development and career advancement!
