1 The foreign language requirement may be satisfied by successful completion of the second semester of the intermediate level of the student's chosen language (typically 232), or by placing out of that language through the Department of Foreign Language's placement test.

2 The General Education program contains a set of requirements each student must fulfill. The number of credit hours necessary to fulfill these requirements may vary.

3 100-, 200-, 300- or 400-level course acceptable with the exception of **PHIL 120A**.

4 Would include education courses leading to licensure in teacher education.

5 Students are strongly encouraged to complete one of the following sequences: **GISAT 141B**—**ISAT 142**, **MATH 107-108**, **MATH 135-235**, **MATH 155-220**, **MATH 156-220**, **MATH 205-206** or **MATH 235-236**.

6 Social science to be chosen from courses in economics, geography, political science, sociology or anthropology.

7 The Adult Degree Program contains a set of requirements each individualized study major must fulfill. The university recognizes this alternate general education program as a nontraditional equivalent to The Human Community.
