Department of Kinesiology

Dr. Chris Womack, Interim Head
Phone: (540) 568-6145
Location: Godwin Hall, Room 213

E-mail: womackcx@jmu.edu
Web site: http://www.jmu.edu/kinesiology/

Professors
J. Flohr, M. Goldberger, M. Saunders, J. Williams

Associate Professors
L. Ham, S. Nye, M. Todd, C. Womack

Assistant Professors
B. Carr, N. Luden, C. McFadden, T. Moran, D. Shonk, M. Slattery, J. Wallace Carr, R. Zullo

Instructors
R. Lifka, P. McMahan, M. Whittaker, J. Walters

Mission Statement
The Department of Kinesiology is dedicated to the development of future leaders in professions that maximize the potential of individuals and society through physical activity. Programs include exercise science and teacher education in physical education and health.

The department is committed to providing:
- outstanding undergraduate programs based on the criteria of relevant professional associations, which will enable graduates success in their professional endeavors.
- programs that build upon the strong liberal studies background provided through General Education.
- opportunities that challenge students to think critically,
- use of technological advances,
- an appreciation of the global community.
- quality graduate programs that complement the undergraduate programs and provide qualified students with an opportunity for advanced study in the kinesiology discipline.
- contributions to the university’s general education curriculum through programs designed to promote lifelong fitness and wellness.
- service to JMU, the professions and local community through our unique knowledge and expertise.
- research and development projects that push back the boundaries of knowledge and promote effective practice in the kinesiology discipline.

Degree and Major Requirements

Bachelor of Science in Kinesiology
Listed below is the undergraduate major program in kinesiology offered by the Department of Kinesiology. Students are advised to be certain they complete all General Education requirements before applying for graduation.

The kinesiology major program leads to the Bachelor of Science degree. Students are advised to familiarize themselves with the B.S. degree requirements on Page 31.

Students who major in kinesiology work toward a B.S. degree by selecting and completing one of the following two concentrations:
- Exercise Science
- Physical and Health Education Teacher Education

\(^1\) The General Education program contains a set of requirements each student must fulfill. The number of credit hours necessary to fulfill these requirements may vary.

Concentrations

Exercise Science Concentration
This concentration is endorsed by the American College of Sports Medicine. The concentration prepares students to pursue graduate education in exercise science, pre-professional or an allied health field. Graduates acquire the knowledge, skills and abilities needed to enroll in the Health Fitness Instructor certification program sponsored by the American College of Sports Medicine. Students interested in physical therapy, medicine, or other pre-professional health programs should review the pre-professional health programs section on Page 124 for prerequisite courses and recommendations for entrance to graduate professional health programs. Pre-professional health program coordinators are available to assist students with career planning and preparation.
The following courses are required of all students who choose the exercise science concentration.

Recommended Schedule for Exercise Science Concentration

**First Year**
- General Education courses 21
- KIN 100. Lifetime Fitness and Wellness 3
- MATH 205. Introductory Calculus 3
- MATH 220. Elementary Statistics 3

**Sophomore Year**
- BIO 270. Human Physiology 4
- BIO 290. Human Anatomy 4
- CHEM 131L. General Chemistry I 4
- CHEM 132L. General Chemistry II 4
- KIN 201. Introduction to Kinesiology 2
- KIN 202. Biological Foundations of Kinesiology 3
- KIN 203. Sociological/Psychological Foundations of Kinesiology 3
- KIN 221-225. Skill Labs 10
- KIN 303. Motor Learning and Performance 3
- KIN 310. Instructional Methods in Physical Education 3
- KIN 311. Elementary Curriculum in Physical Education 2
- KIN 312. The Profession of Teaching Health and Physical Education 2
- KIN 313. Adapted Physical Education 3
- KIN 314. Assessment in Elementary Physical Education 3
- KIN 411 Measurement & Evaluation in Kinesiology 3
- KIN 426. Physical Activity Behaviors 3
- KIN 410. School Health Content for PHETE 3
- KIN 480. Student Teaching in Elementary Physical Education 8
- NUTR 280. Nutrition for Wellness 3
- READ 420. Content Area Literacy, K-12 2

**Junior Year**
- KIN 302L. Exercise Physiology 4
- KIN 306L. Human Biomechanics 4
- KIN 420. Exercise Programming for Special Populations 3
- KIN 424. Theories & Practice of Weight Management 3
- PHYS 140L. College Physics I 4
- KIN 428. Advanced Topics in Exercise Science 3
- Electives 11 B

**Senior Year**
- KIN 421L Principles of Exercise Testing & Prescription 4
- KIN 426. Physical Activity Behaviors 3
- KIN 471. Practicum in Exercise Science 3
- KIN 481. Internship in Exercise Science 8
- Electives 6

Physical and Health Education Teacher Education Concentration

The Physical and Health Education Teacher Education (PHETE) concentration is committed to educating future leaders in the profession of teaching physical and health education. The program encourages the teacher candidate to advocate for effective educational changes, work collaboratively and collectively for social change, and to continue to grow professionally.

The PHETE concentration is a five-year Master of Arts in Teaching (M.A.T.) program. Upon successful completion of the first four years, students earn a Bachelor of Science (B.S.) degree in kinesiology. The fifth year M.A.T. degree provides the requisite courses to obtain a VA state teaching license in Health and Physical Education (PreK-12). It is necessary to be admitted to the teacher education program prior to enrolling in professional education courses. Specific requirements are available from the PHETE coordinator. Evidence of current CPR/first aid certification must be presented before graduation.

Sport and Recreation Management Concentration

This concentration prepares students for employment in a variety of work settings. Graduates of this program are prepared for entry-level positions in management.

- Students in sport and recreation management must declare a business minor through the College of Business.
- A grade point average of 2.0 in the business minor is required for graduation.
- All academic course work must be completed before beginning the KIN 482 internship.

Note: This program is undergoing revision for the 2010-11 academic year. Refer to http://www.jmu.edu/catalog/10/programs/kinesiology.html for the most recent information.

Minor Requirements

The Department of Kinesiology offers two minor areas of study:
- Coaching Education
- Sport Communication

Coaching Education Minor

This minor prepares students for the coaching profession on the high school and younger level by complying with the requirements of the National Council for Accreditation of Coaching Education at Level 3, intermediate coach. Evidence of CPR/first aid certification must be presented prior to beginning the coaching practicum. To enroll in the practicum, all of the minor courses except KIN 450 must be successfully completed (minimum of a “C”) and the student’s overall GPA must be 2.0. To successfully complete the minor, students must:
- complete the American Sport Education Program (ASEP) Coaching Principles course and earn ASEP certification (part of KIN 450).
- Earn a minimum grade of a “C” in each of the six courses and a “satisfactory” on the practicum (KIN 473).

Credit Hours

ATEP 205. Prevention and Care of Athletic Injuries 3
KIN 202. Biological Foundations of Kinesiology 3
KIN 353. Maximizing Sport Performance 3
KIN 425. Concepts of Strength and Conditioning 3
KIN 450. Principles of Coaching 3
KIN 473. Practicum in Coaching 3
Kinesiology techniques of sport class (with coordinator approval) 2

Sport Communication Minor

This minor consists of course work offered in communications, media arts and design, and kinesiology for students with an interest in sports media and communication.

Credit Hours

Choose one of the following:
- SCOM 245. Signs, Symbols and Social Interaction
- SCOM 248. Intercultural Communication
- SCOM 268. Introduction to Public Relations
- SMAD 210. News Reporting and Writing
- KIN 242. Introduction to Sport Communication

Choose one of the following:
- KIN 304. History and Philosophy of Physical Education and Sport
- KIN 329. Psychological and Sociological Aspects of Sports
- KIN 474. Practicum in Sport Communication
