The program in political communication is designed for those students wishing to supplement their major programs with an emphasis on communication skills, knowledge and abilities specifically relevant to participation in political environments.

Students must complete a core set of courses, an internship or practicum in the field of political communication, and a set of electives. All speech communication majors with a minor in PCOM are required to take a three-credit hour internship in the School of Communication Studies or the Department of Political Science. POSC majors minoring in PCOM must complete POSC 495 to meet the internship requirement. PCOM minors taking SCOM internships must have completed the SCOM major core requirements prior to enrolling in SCOM 495. Students not wishing to complete the eligibility requirements for an internship in SCOM may elect to take a three credit hour practicum in communication studies (contact the coordinator for details). This practicum is open only to non POSC and non-SCOM majors. Before pursuing an internship, students should consult with the PCOM coordinator to ensure that the internship is suitable for the minor.

For majors in communication studies who minor in PCOM, a maximum double counting of six credit hours of course work between the minor and the home academic unit or major is permitted. Those not wishing or able to double count, including non-POSC or non-SCOM majors, must complete 25-26 credit hours for the minor.
