The School of Art and Art History is a collaborative community that fosters independent thought and creativity, embraces the diversity of cultural expression, and cultivates excellence in the making and understanding of visual art.

**Goals**

The School of Art and Art History discerns the following five distinct goals for the teaching of art at JMU:

- To prepare future professional artists and designers.
- To educate future art historians and museum specialists with a global perspective on the visual arts.
- To develop and license future elementary and secondary art teachers.
- To enrich the general education of non-art majors.
- To supply professional instruction in the visual arts for students who wish to enrich their education by studying art as a second major or minor.

To meet these goals, the School of Art and Art History offers three degrees, a choice of two majors and a number of select areas of emphasis. Teaching licensure in art is available as part of all degree programs. Minors are offered in select areas. All degrees require a minimum of 120 credit hours. A full description of degree requirements is listed under “Degree Requirements” on Page 29. Currently available degrees, majors and areas of emphasis are as follows.

**Bachelor of Arts**

- Art History
- Studio Art

**Bachelor of Fine Arts**

- Studio Art with an emphasis in General Fine Arts, Graphic Design or Interior Design

Degree and Major Requirements

Bachelor of Arts in Art History

Dr. John Ott, Coordinator
Phone: (540) 568-6319

The Bachelor of Arts in art history is intended for students who wish to study the history of the visual arts, including the cultural and social context in which they were created. It is the mission of the art history program to educate students with a global perspective on the arts.

Western art history is emphasized, coupled with opportunities to study the art of select non-Western traditions. Students majoring in art history will develop a general knowledge of the principle monuments and artists of all major historical art periods. Students also will:

- Become acquainted with the art history of non-Western cultures.
- Locate unfamiliar works within major style periods and cultures.
- Describe, analyze and interpret the form and content of individual works of art in relation to the cultures from which they originate.
- Recognize major art media.
- Understand at least three major historical periods of art in detail.
- Become familiar with art history theory and methods of analysis and criticism.
- Research and write about significant artists, artistic events, periods and artistic concepts.

The art history program encourages majors and minors to participate in internship opportunities at museums, galleries and other art related settings, and it provides up-to-date information about jobs and graduate programs in art history and related fields. Visiting scholars, campus art exhibitions, trips to major museums and the JMU Studies Abroad Program provide students with opportunities to study and apply their art history knowledge outside the classroom. Upon completion of the art history major, students will have been exposed to a broad background and knowledge of the opportunities for graduate school and employment. The art history program also advocates interdisciplinary education and actively supports students who double major with other disciplines.

¹ The General Education program contains a set of requirements each student must fulfill. The number of credit hours necessary to fulfill these requirements may vary.
² The foreign language requirement may be satisfied by successful completion of the second semester of the intermediate level of the student’s chosen language (typically 232) or by placing out of that language through the Department of Foreign Language, Literature and Culture’s placement test.
³ Depends on number of hours needed to fulfill the B.A. foreign language requirement. If they are completed in six hours, students should use the larger number of general electives to complete a second major or minor that complements art or art history or, for students intending to pursue graduate degrees, to gain reading knowledge of a second foreign language.

Art History Majors

Students intending to major in art history are not required to submit a portfolio or additional material for review, but should follow the regular JMU admissions process.

Accreditation

Supplementing JMU’s general accreditation, all degrees offered by the School of Art and Art History are professionally accredited by the National Association of Schools of Art and Design. In addition, the B.F.A. interior design emphasis is professionally accredited by the Council for Interior Design Accreditation (formerly the Foundation for Interior Design Educational Research).

Special Admission Requirements

Studio Art Majors

In addition to meeting JMU admission requirements, entering first year students who intend to major in studio art are encouraged to submit a portfolio for review and be interviewed for evidence of their interest and potential for future success in art. First year students admitted through regular or early action admission processes who do not submit a portfolio will be accepted into the studio art major if the major is declared prior to the last day of the fall semester.

Transfer students or students who are currently enrolled at JMU under another major and who wish to declare a studio art major must submit a portfolio to the school by the semester deadlines posted on the Web site. Transfer and change of major portfolios will be reviewed once each fall and spring semester. Transfer and change of major students who are not recommended for admission to the Studio Art major may reapply the following semester.

Students interested in entering the B.F.A. graphic design emphasis are required to submit a portfolio representing work completed in GRPH 200, GRPH 202 and GRPH 206. For additional details, see the B.F.A. graphic design emphasis admission requirements.

Students interested in entering the B.F.A. interior design emphasis are required to submit a portfolio representing work completed in INDE 200 and INDE 202. For additional details, see the B.F.A. interior design emphasis admission requirements.

Portfolio reviews for transfer, change of major and graphic design students are held approximately two weeks prior to pre-registration. To obtain the schedule of portfolio and interview sessions for entering first year students, as well as other specific information about the admission process, contact the School of Art and Art History.

Internship/Independent Study Credit

A maximum of three credits of art history internship, independent study, or honors course work may be applied toward the major in art history. A student may petition the art history coordinator to apply six credit hours toward the art history major if the internship or independent study course work is directly relevant to the student’s interests and career goals.

Requirements for Art History as a Second Major

Students in any degree program may study art history as a second major by completing the 39 credit art history requirement. Students studying art history as a second major do not need to complete the requirements for the B.A. degree if their first major will complete the requirements for a different baccalaureate degree. However, non-B.A. degree students completing art history as a second major are strongly encouraged to complete the B.A. foreign language requirement.

Bachelor of Fine Arts – Graphic Design Emphasis

Trudy Cole, Coordinator
Phone: (540) 568-3488

The graphic design program at JMU provides professional education within a liberal arts environment. Students learn the vocabulary, visual perception, methods, processes, craft and technology of graphic design, which includes specialized courses in print design, advertising, computer graphics, illustration, web design, package design and special topics courses addressing current design issues and problems.

The study of the historical and cultural context of the designer broadens students' knowledge base and nurtures their creativity. Frequent field trips, guest speakers and internship opportunities provide students with exposure to the professional field.

Admission Requirements

Admission to the B.F.A. emphasis in Graphic Design is selective and competitive for a limited number of reserved seats in upper-division (300-400 level) graphic design courses. Declaration of studio art as a major and completion of lower-division (100-200) prerequisite art courses does not guarantee admission into the program. Admission to upper-division GRPH courses is based on completion of all prerequisite art courses and merit as determined by a faculty review of portfolios submitted in satisfaction of the course GRPH 208, Portfolio Review.

http://www.jmu.edu/catalog/11
GRPH 208, Portfolio Review, is a 0 credit, pass/fail course that functions as a prerequisite to enrollment in all 300-400 level graphic design courses. Students should enroll in GRPH 208 during the semester following completion of GRPH 200, GRPH 202, and GRPH 206 (or concurrently with GRPH 206). GRPH 208 portfolios are reviewed each semester two weeks prior to pre-registration. Students should contact their faculty adviser or the coordinator of graphic design to determine the exact time and location for each semester’s GRPH 208 portfolio review.

NOTE: Any art major may take GRPH 200, GRPH 202 or GRPH 206, but is restricted from taking any 300-400 level graphic design course until GRPH 208 has been taken and passed.

Accepted students who receive a passing grade for GRPH 208 will be able to register for GRPH upper-division courses for the following semester. Students not accepted will have one opportunity to reapply in the following semester or may choose to continue in another emphasis within the School of Art and Art History.

Bachelor of Fine Arts – Interior Design Emphasis

Phone: (540) 568-5850

JMU's interior design program educates leaders in the profession of interior design. The program offers an intensive education in the design process. The curriculum instills purpose, craft, technological competence and versatile thinking. The graduates are passionately dedicated to the creation of meaningful interiors. Graduates of the program are encouraged to take the National Council for Interior Design Qualification exam after two years of work experience.

Admission Requirements

Admission to the B.F.A. emphasis in Interior Design is selective and competitive for a limited number of reserved seats in upper-division (300-400 level) interior design courses. Declaration of studio art as a major and completion of lower-division (100-200) prerequisite art courses does not guarantee admission into the program. Admission to upper-division INDE courses is based on completion of all prerequisite art courses and merit as determined by faculty review of portfolios submitted in satisfaction of the course INDE 208, Portfolio Review.

INDE 208 is a 0 credit, pass/fail course that functions as a prerequisite to enrollment in 300-400 level interior design courses. Students should enroll in INDE 208 during the semester in which they are enrolled in INDE 202. INDE 208 portfolios are reviewed during the spring semester (March) prior to pre-registration. Students should contact their faculty adviser or the area head of interior design to determine the exact time and location for the INDE 208 portfolio review.

NOTE: Any art major may take INDE 200 and INDE 202, but is restricted from taking any 300-400 level interior design course until INDE 208 has been taken and passed.

Accepted students who receive a passing grade for INDE 208 will be able to register for INDE upper division courses for the following semester. Students not accepted will have one opportunity to reapply the following spring semester or may choose to continue in another emphasis within the School of Art and Art History.
