

Academic Portfolio Institute 2023 - Monday, June 5 (10 AM-4 PM) through Thursday, June 8 (10 AM - 4 PM)

The Academic Portfolio Institute guides faculty in the creation of a professional, reflective portfolio that integrates accomplishments in teaching, research/scholarship, and service/leadership into a single document. Portfolio Institutes are four-day intensive experiences in which participating faculty are paired with trained mentors who provide one-on-one support, guidance, and feedback in drafting the portfolio and selecting evidence. The resulting document is typically 15-20 pages plus appendices. This comprehensive portfolio combines thoughtful reflection on faculty performance and effectiveness with hard evidence of accomplishments.

Application deadline: Friday, May 19, 2023 @ 12 PM

Application Questions:

1. The Academic Portfolio Institute is available online and in-person. Will you be available for in-person meetings at JMU during the week of June 5-June 8?
2. The Academic Portfolio Institute is a week-long immersive experience. Optimal success requires participants to be fully invested in the Institute as their priority for that week. Briefly describe your interest in the Academic Portfolio Institute.
