

To Feed the World:

A Panel Discussion of Global Agricultural Policies

Guest Speakers Include:

Dennis Avery, Director of the Center for Global Food Issues

Robert McKown, JMU ISAT Professor

Christopher Speed, Senior Nutritionist, Oldways
Preservation and Exchange Trust

Wayne Teel, JMU ISAT Professor

Ivor Knight, Moderator, Dept. of Biology

World Hunger, how does it affect you? Speakers will address their views on the most effective and efficient ways to feed the growing global population. Discussions will include agricultural, nutritional, ecological, and biotechnological concerns. Appropriate time for students' questions and concerns will be allowed.

April 15, 2003
Grafton Stovall
7:00 p.m. – 9:00 p.m.
