4. AAEE Job Search Handbook
   • Employers and recruiters use this service to post internship and job opportunities for FREE
   • Students use this service to search and apply for internship and job opportunities, post their resume, sign up for Mock Interviews, and a number of other career-related programs and services

HOW CAN I HELP?

Career Assignments and Presentations
In the classroom (or within student organizations, conferences, and events associated with the COE), I can facilitate tailored career-related presentations on topics including:
• Preparing effective and targeted cover letters and resumes for the educator
• Recruit-A-Duke, On-campus Interviewing, Teacher Recruitment Day
• Job and internship search strategies, interviewing skills, transitioning to life after JMU
• CAP Resource Center tours
• International Education and teaching abroad

Updating Internship/Employer Contacts
With Recruit-A-Duke, Recruiting Services, Teacher Recruitment Day, and Career Fairs, I can:
• Communicate specific career related information and events pertaining to your students, such as Teacher Recruitment Day, new job postings, teaching internationally, and other career fair information.
