

We will be handling our fingerprinting procedures for Spring 2019 student teachers/interns much the same as we have the past few semesters. Anyone who has not been an employee of CCPS within the last twelve months will need to be fingerprinted in our office located at **9900 Krause Road 23832**. The fingerprint days we have reserved are **Wednesday, January 2, 2019 and Thursday, January 3, 2019 from 8:30-11:45am and 1:00-3:45pm** each day. Students will need to bring with them a driver's license and evidence of a TB screening conducted within the last twelve months. (Students who are scheduled to begin student teaching prior to these dates may still report to schools as scheduled.)

We appreciate you forwarding this information to your students.
Thanks again for partnering with CCPS,
