

First Aid Kit

A fully-stocked first aid kit is maintained at all times. It is stored in a locked cabinet in the classroom and is taken on field trips. Contents of the kit are listed below. Because of the proximity of the YCP outdoor play areas, it is not necessary to take a first aid kit when children are playing on the courtyard or playground.

- disposable nonpourous gloves
- sealed packages of antiseptic
- nonglass thermometer
- bandage tape
- sterile gauze pads
- flexible roller gauze
- triangular bandages (or scarf)
- safety pins
- eye dressing
- pen/pencil and notepad
- cold pack
- current first aid guide
- water
- small plastic or metal splints
- liquid soap
- adhesive strip bandages
- plastic bags
- tweezers
- scissors
- activated charcoal
- emergency phone numbers for all students and staff
- emergency procedure manual (including phone number of Poison Control Center)
