I.E. Faculty

Ken Young

-Camp Director of Individual Events

Ken is currently the Assistant Director of Individual Events at James Madison University. As a multiple national finalist, Ken helped bring home the national team championship for Bradley University in both 2001 and 2005. As a coach, his students have been graced with multiple national titles and finals on the high school and collegiate levels. Ken has worked and directed summer camps all across the country including: Illinois, Texas, and California and is proud to be a founding member of the new institute here at JMU.

Lee Mayfield

-Director of Individual Events JMU

Lee currently serves as the Secretary of the National Council and District Chair for the American Forensics Association National Tournament. Lee has coached national finalists in every single event that the collegiate circuit has to offer and also an array of national championships. With a plethora of experience in the classroom, Lee is sure to make the forensics experience one focused on education and having fun.
