CS Course Prerequisites

Single-headed Arrows indicate prerequisites and corequisites; all non-cross-listed courses also require a minimum grade (C- except where noted above) in all prerequisite courses. Darkly shaded courses are required and lightly shaded courses are system electives. The semester that a course is normally offered is indicated as Fa (fall) or Sp (spring).

Courses with alternative prerequisites from other departments:
CS/ISAT 344: ISAT 340
CS/ISAT 462: CIS 344 and ISAT 460
CS/ISAT 463: ISAT 340 and ISAT 460

Courses with prerequisites from other departments:
CS 240: MATH 231
CS/ISAT 464: ISAT 340, SMAD 356, CIS 320, CS/MATH 448, CS/MATH 449: AMTH 237, MATH 238, MATH 248
