

Mathematics Minor

The mathematics minor is open to students not majoring in mathematics or statistics. Each student must obtain prior approval of all courses to be counted in the minor from the mathematics adviser, Dr. Peter D. Kohn, or from the department head. A minor in mathematics requires a minimum of 18 credit hours. At least six hours must be earned within the JMU Department of Mathematics and Statistics.

REQUIREMENTS	CREDIT HOURS
MATH 235-236. Calculus I-II	8
OR MATH 231, MATH 232 and MATH 236	
Mathematics courses numbered 237 or above, excluding mathematics courses numbered 301-309	10
