ALCOHOL USE:
TALK ABOUT IT & LEARN MORE

Talk About It

- **BASICS (Brief Alcohol Screening and Intervention for College Students)** is an empathetic, confidential, non-judgmental, early-intervention program designed to help students evaluate the risks that may result from alcohol use. Consists of two 50-minute meetings with a specialized program facilitator. The meetings are one-on-one. Call The Well to schedule a BASICS appointment 540-568-2831.
