PREPARING FOR AN EMERGENCY

- Prepare an emergency supply kit for your home. Use the checklist on pages 15-16 as a guide.
- Create an Family Emergency Communications Plan and post this magnet in a prominent place.
- When in public places, located stairways and emergency exits. Think ahead about how to evacuate a building, subway or congested public area in a hurry.
- Review plans with children and other family members.
- Keep informed – listen to local radio or TV.

HOW TO SUBMIT CRIMINAL/TERRORISTIC TIPS...

The most effective way to report a possible terrorist activity is to call the State Police or your local police department. In an emergency, however, call 911.
