

**Exercise Science and Leadership  
Practicum/Internship Application  
Department of Kinesiology  
James Madison University**

*To the Student: Before making contact with the agency, you are required to meet with Jana Walters, Undergraduate ESL Internship Coordinator. Once you have approval, complete this form including the information on page 2. Give copies of this form to the ESL coordinator and the agency contact person. A copy of the "Agency Supervisor Acceptance Report" will be sent to the agency contact person by the ESL coordinator. You are responsible for scheduling an interview with the potential site supervisor in order to discuss the type of experiences from which you might benefit. Following your acceptance, a copy of the goals, objectives, and duties to be completed must be submitted to the coordinator for approval.*
