Preparing for the Amazing Race:

1. Get teachers who will help run or keep an eye on activity spots
2. Have a student aide to verify activities are completed
3. Make a map on google maps (label outside and inside locations with different colors)
4. Make questions and activities for spots
5. Prepare poly spots and equipment
6. Go over rules and procedures of race well in advance of actual race with students
7. Have 2 people ready at the finish table
