Included in the Program:

1. **Equipment**: developmentally appropriate golf equipment (SNAG) for introducing golf to large PE classes safely and effectively.

2. **Curriculum Manual**: lesson plans and resource information created using the framework of the National Association for Sport and Physical Education (NASPE) National Physical Education Standards.

3. **Physical Educator Instruction**: professional development training for participating physical education teachers

**Cost**: $3,000 per school

Objectives of the Program:

- Provide a complete golf program appropriate for today's elementary school physical education students and teachers

- Enable physical educators to introduce golf, in a developmentally appropriate manner, consistent with national standards developed by NASPE

- Develop student appreciation for the positive personal and social values associated with the game with each lesson

- Engage students in daily lesson activities that lead to motor skill development

- Present golf to students as a lifelong recreation and physical fitness activity
