

CHALLENGE CARD

Baby Rescue

Equipment

One rope or cloth ladder, one large ball (33" or more), two ropes to make the river banks

Starting Position

No more than 8 in the group. Half the group is on one side of the "river", the other half on the other side. The ladder and baby are on one side of the raging river.

Our Challenge

The group must save the baby by helping it crawl across the river on the ladder.
Easy.....

Rules and Sacrifices

1. The baby cannot fall in the river or touch the flooding waters.
2. The same person may not connect to more than one end/extension of the ladder.
3. Only the baby can be on the ladder during crossing.
4. Rescuers cannot be in the water.
