

# Health and Human Services in *Costa Rica*

## San Jose *Costa Rica*

**DATES: May 17, 2014 – June 6, 2014**

*(all dates are tentative and subject to change)*

### COURSE:

**NSG 490.** Special Topics in Nursing: Health and Human Services in Costa Rica: An Inter-professional Perspective (4)

### PROGRAM DIRECTOR:

**Dr. Linda Sobel**  
sobelll@jmu.edu  
Nursing

**Dr. Julie Strunk**  
strunkja@jmu.edu  
Nursing

### PROGRAM:

In this inter-professional course students from various majors will explore the health needs and the health and human services delivery system in Costa Rica, as well as the history, culture, and beauty of this Central American Country. Students will compare and contrast issues and professional roles that impact health in the U.S. and Costa Rica. This immersion experience includes home stay with a host family and Spanish language study.
