REGISTER EARLY! SST is full within a month of the release of materials, cellos and violins much sooner. SST will accept a maximum of 500 campers of balanced instrumentation. Registrations received after we are full will be notified of placement on the waiting list for your instrument, and your check will be held UNCASHED until such time as there is room for you. Persons wishing to room together should send their registrations in the same envelope in order to help insure room assignments together, since simply mailing them on the same day will not guarantee that they arrive at the same time.
