

Online Room Selection Lottery Schedule

Students with signed housing contracts will be able to log into the Online Room Selection website (<https://rms.jmu.edu/>) based on their assigned lottery number. Students can begin logging into the system starting at the time indicated below, depending on which process they want to complete: Honors Housing Day, Suite Day, Roommate Day, or Individual Day. Logging into the system can continue until a) a space has been selected and confirmed or b) the process has completed.

For example, lottery number 1227 could log in for Suite Day beginning at 2:30 pm on Tuesday, February 21 and continue using the system until it closes for suite selection at 5 pm that day **OR** until a room for 6 people has been selected and confirmed. If lottery number 1227 instead wants a non-suite space with a desired roommate (like a room in Chandler), the student could log in for Roommate Day beginning at 11:00 am on Thursday, February 23 and continue using the system until it closes for roommate selection at 5 pm on Friday, February 25 **OR** until a room is selected and confirmed. If lottery number 1227 does not have a desired roommate, the student could log into the system to select an individual bedspace beginning at 11:00 am on Tuesday, February 28 and continue using the system until it closes for individual selection at 5 pm on Wednesday, February 29 **OR** until a room is selected and confirmed.

If you are unable to access a computer during your assigned time, the Office of Residence Life can pick a space on your behalf by completing a Proxy Form, which is available in Huffman A101, by 5 pm, Monday, February 14. More information about Online Room Selection can be found in our [FAQs](#).
