

RAs working in the Substance Free hall will be doing the CAMP programming model with the following modifications:

- Each semester, one of the Community/"C" programs must be on a Friday or Saturday night starting after 8pm.
- Complete 2 additional Hall-wide socials per semester. These extra 2 must be completed on Friday or Saturday starting after 8pm and it is recommended CAB be involved in the planning. One should be open for residential students across campus (when feasible).
- Sub Free Staff have an additional \$500 in the programming budget.
