## To Prospective Tutors:

- ✦ Attached is an application to be a tutor, and have your information put in our “Making Connections” database.
- ✦ Complete the application indicating the subjects in which you feel interested and competent in tutoring.
- ✦ Please have your advisor or a professor (whichever is appropriate) sign the application.
- ✦ When you have the form completed, please return it to the Office of Residence Life (Huffman A100), so you can be added to the list of available tutors.
- ✦ The student requesting a tutor will contact you and it is between the two of you to negotiate whether or not it is convenient for you to tutor. You are not obligated to tutor someone just because he or she receives your name from the Office of Residence Life.
- ✦ It is also up to the two of you to settle on a place, time, and fee (please contact us if you are unsure of what to charge)
- ✦ The Office of Residence Life hopes your experience will be beneficial to you educationally and financially.

Best of luck,
