

We are changing the face of construction and we want you to join us!

We invite all SWaM subcontractors and suppliers to learn about opportunities with the following project:

CISAT A3b - Biotechnology Building

December 15, 2009

6:00pm - 8:00pm

James Madison University

Festival & Conference Center

1301 Carrier Drive; MSC- 4201

Highlands Room (1st Floor)

Harrisonburg, Virginia 22807

The CISAT A3b – Biotechnology building is to be located on the CISAT section of the campus of James Madison University in Harrisonburg, VA. It will contain approximately 90,000 gross square feet of teaching, research, and technological resource space. Construction of the project is to start Summer/Fall 2010 with completion by Mid-2012.

Online Skanska Prequalification Training Will Be Available

Refreshments will be served
