Contract Information:	Website:

The Contractor shall provide all labor, tools, equipment, and all incidentals required and/or implied for the complete and satisfactory performance of all types of painting services to include wallpapering, on an as needed basis. This work shall include, but not be limited to: applying paint (enamel or latex paints, stains, varnishes, lacquers, epoxies, and other products) to interior ceiling, walls, floors, doors, windows, trim, wood and metal casework, piping, conduit and ductwork; applying paint to exterior surfaces including roofs, house components and trim; and applying paint to crosswalks, curbs, parking lots and miscellaneous metal, wood concrete, and masonry items. The Contractor shall be responsible for all necessary surface preparation including scraping, sanding, spackling, caulking, puttying, and removal of wallpaper. This work shall also include the protection of all surface areas, equipment, fixtures, hardware and similar items that may come in contact with paint during this work. The Contractor shall be responsible for cleaning up all work areas and removal of their tools and equipment.

Pricing Schedule: Both Contractors (Prevail Contracting & Black Brothers Painting) must be contacted and an estimate requested for each project. Contractor will be selected from those estimates.
