Contractor shall furnish multiple manufacturers brands of the highest quality athletic shoes and provide customer gait analysis services to ensure the right fit and shoe style for the collegiate athletes of the University.

Contractor shall provide the following:

- VA Runner provides multiple brand names of the highest quality athletic shoes.
- VA Runner provides multiple styles within each brand.
- VA Runner provides specialty shoes as they relate to running, walking, conditioning, court and field sports.
- VA Runner will conduct on-site Gait analysis in coordination with each sport's coaching staff.
- Gait analysis will be conducted by Jeff Van Horn B.A.A. Sports Medicine/Exercise Science with 12 years experience in the field of shoe design and its effect on normal and pathological running and walking gait.
- All orders will be placed at once for delivery within two weeks.
- 30-day exchange/return policy. Applicable for current footwear in re-sellable condition only.
- VA Runner supports and distributes each manufacturer's volume incentive packages.
- Special considerations can be made for miscellaneous needs related to sports programs.
