2. Should the match be decided by a third game, the game will be played to seven (7), win by two, nine (9) point cap.

3. Each team will have one (1) time out per game of a one minute duration. If a team calls a time out because of an injury and the player remains in the game, that team loses one of their time outs. Teams are penalized a point for excessive time outs.
4. A coin flip will decide which team gets the choice of service or court. In the second game, courts are switched and the losing team serves first. If a third game is necessary, the serve will be decided by a coin flip and courts are changed at 8 points.

The Team

1. Six (6) players constitute a team. Each team must have at least five (4) players to begin a game. Games will start at designated time. If one team is more than ten (10) minutes late, a forfeit will be declared. For every minute a team is late, their opponent will receive one point.
2. **Teams that are CoRec are recommended, but single gender teams will be accepted.**

Rules Section

During the Game

1. **Scoring** – One point will be scored by the serving team when a receiving team fails to legally return the ball. Rally scoring in any third game is an exception to this rule.
2. **Rotation** – The team receiving the ball for service shall immediately rotate positions in a clockwise direction. At the time of the serve, player must remain in the same relative position but they may

switch positions after the ball is served. **Co-Rec: The serving order and positions on the court shall alternate male-female, etc.**

3. If a player serves out of turn, “side-out” will be called and the ball will go to the opposing team.
4. A served ball that hits the net is in play, however, the ball must cross the net. If the service does not cross the net it is a “side out”.
5. **Playing the Ball** – The ball must be clearly hit. It may be hit with one or both hands (open or closed) above the waist. It is illegal to “push”, “carry”, or “lift” the ball. **Co-Rec: Spiking is legal.**
6. A ball may be hit only three times on one side. A player cannot hit the ball twice in succession. Co-Rec: When a ball is played more than once on a team’s side of the net, both sexes must come in contact with the ball.
7. **Simultaneous Hit** – If the ball is hit at the same time by two players, either one of the players can hit the ball again.
8. **Net Play** – It is a violation to touch the net. It is not a violation if the player has hit the ball into the net causing the net to touch a player on the other side. There is an imaginary plane extending indefinitely above the net. It is illegal to strike the ball on your opponent’s side of this imaginary plane. It would not be a violation, however, if the ball were to be on your side of the plane, and your follow through were to cause your hand to penetrate this plane. It is also legal to penetrate the plane if you are blocking an opponents’ hit, provided your arm is not at a downward thrust. A player may reach under the net provided they do not interfere with an opponent to legally play the ball.
9. **Center Line** – A player may not cross under the vertical plane of the net to play a ball.
10. **Boundaries** – If any part of the ball touches a boundary line, the ball is considered inbounds. A replay will be declared where there are conflicting calls between teams. All balls must be returned above the net and between the vertical tape markers.

Sportsmanship

Philosophy

Sportsmanship is individuals or teams doing unto others as they would have others do unto them. Sportsmanship is individuals containing an understanding and appreciation of the rules developed for sport. Players enjoying the recreational experience and encouraging others to participate regardless of skill level will help enhance the integrity of the program. All participants will take responsibility for his/her own actions regardless of the repercussions, which involves not blaming others for mistakes made or making excuses for wrong doings. Sportsmanship is recognizing and acknowledging character and honor among team members and opponents while practicing such characteristics themselves. Participants will respect officials, supervisors, and opponents during, before, and after a contest. Finally, sportsmanship will portray an overall respect and passion for the sport and recreation.

Sportsmanship Mission

UREC and the Intramural Sports program are dedicated to promote and enforce positive sportsmanship among all JMU participants. Through each contest participants must portray fair play, respect for opponents, and intramural staff, as well as, graciousness in winning or losing. In order to encourage proper conduct during games, officials, supervisors, and administrative personnel will make decisions to warn, penalize and/or eject players, coaches, teams, and/or spectators for poor sportsmanship. The decisions made by these individuals are final and will be reviewed by the Coordinator of Intramural Sports. In the instance teams challenge their rating, only the captain will meet with the Coordinator of Intramural Sports to discuss the issue. **All captains are responsible for the conduct of their teams during an intramural contest.** The sportsmanship rating can be affected by actions occurring before or after a contest.

Sportsmanship Criteria and Ratings

Based on this philosophy the following system will be used to evaluate a team's sportsmanship during each contest in which they participate:

Week 2: 3.0
