2. Regardless of field changes, the batting order must remain the same. In the instance that a player bats out of order, that batter is declared out.

3. Players may be substituted and reenter the game one time during a contest.
4. **THE PITCHER WILL BE A MEMBER FROM THE BATTING TEAM.**

Sportsmanship

Philosophy

Sportsmanship is individuals or teams doing unto others as they would have others do unto them. Sportsmanship is individuals containing an understanding and appreciation of the rules developed for sport. Players enjoying the recreational experience and encouraging others to participate regardless of skill level will help enhance the integrity of the program. All participants will take responsibility for his/her own actions regardless of the repercussions, which involves not blaming others for mistakes made or making excuses for wrong doings. Sportsmanship is recognizing and acknowledging character and honor among team members and opponents while practicing such characteristics themselves. Participants will respect officials, supervisors, and opponents during, before, and after a contest. Finally, sportsmanship will portray an overall respect and passion for the sport and recreation.

Sportsmanship Mission

UREC and the Intramural Sports program are dedicated to promote and enforce positive sportsmanship among all JMU participants. Through each contest participants must portray fair play, respect for opponents, and intramural staff, as well as, graciousness in winning or losing. In order to encourage proper conduct during games, officials, supervisors, and administrative personnel will make decisions to warn, penalize and/or eject players, coaches, teams, and/or spectators for poor sportsmanship. The decisions made by these individuals are final and will be reviewed by the Coordinator of Intramural Sports. In the instance teams challenge their rating, only the captain will meet with the Coordinator of Intramural Sports to discuss the issue. **All captains are responsible for the conduct of their teams during an intramural contest.** The sportsmanship rating can be affected by actions occurring before or after a contest.

Sportsmanship Criteria and Ratings

Based on this philosophy the following system will be used to evaluate a team's sportsmanship during each contest in which they participate:

Teams will receive a rating each week that will create an average at the end of the season. Teams in **Level I** must have an average of 3.0 at the end of their fourth week to continue play. Teams in **Level II** and **Level III** must have an average of 3.0 to be eligible for playoffs.

Example:

Week 1: 3.0

Week 2: 3.0

Week 3: 2.5

Week 4: 3.0

Total 11.5

Average Conversion: $11.5 / 4 = 2.875$. This team would not be eligible for continued play or playoffs.
