Courses designated BIO 000 will count as hours toward graduation, but not as hours toward a biology major or minor.

<sup>1</sup> Non-biology majors: first semester offered transfers as BIO 103 and ISCI 104, the second as BIO 000.

<sup>2</sup> Credit may not be transferred by matriculated JMU students taking the RBC course after entering JMU.

<sup>3</sup> Student must complete both classes or course transfers as elective.

<sup>4</sup> Credit for BIO 226 only awarded with syllabus evaluation by the department
