Position Summary:
A peer tutor at the Science/Math Learning Center (SMLC) is a qualified undergraduate who assists students to an understanding of subjects in the tutor’s area of expertise. Tutors normally work 4—10 hours per week.

Essential Tasks:
- Attend all mandatory SMLC tutor training sessions
- Adhere to all policies and procedure listed in the Student Employee Handbook
- Meet periodically with supervisor for review and reflection
- Model and teach appropriate learning and study techniques to encourage independent learning
- Be committed to tutoring for the entire semester or year of employment
- Complete all record-keeping tasks in an accurate and timely manner
- Refer all problems and concerns, particularly student issues that are non-academic, to an SMLC faculty member or to the appropriate Learning Center department

Qualifications/Special Skills Required:
- Tutors must have attained an overall 2.75 CUM GPA or better, and have made no lower than a B in any courses in which they are intending to tutor. Applicants’ transcripts are checked as a matter of policy.
- Prior tutoring experience is an asset but is not mandatory
- Applicants are required to submit two recommendations, at least one of which must be from a professor in the discipline in which the student is planning to tutor
- Applicants are expected to demonstrate adequate knowledge in their area of expertise in a personal interview
- Tutors in a specific area must have completed the following courses:
  - **Math**: MATH 236 (Calculus II), completion of Math 237 (Calculus III) is preferred, but not mandatory.
  - **General Chemistry**: CHEM 131 and CHEM 132
  - **Organic Chemistry**: CHEM 241 and CHEM 242
  - **Physics**: PHYS 240 and PHYS 250
  - **Statistics**: MATH 220, completion of additional statistic courses is preferred, but not mandatory.

SMLC Tutor Application
Please submit to your area supervisor:

Chemistry: Dr. Mary Tam (tammc@jmu.edu)
Mathematics: Dr. Cong Hoang (hoangcq@jmu.edu)
Statistics: Dr. Beth Cochran (cochrabs@jmu.edu)
Physics: Dr. Adriana Banu (banula@jmu.edu)
Name: ___________________________  (Last)  ________________________  (First)  ________________________  (Mi)

Major: ___________________  JMU ID: ___________________  JMU Email: ___________________

Phone #: ___________________  Where did you hear about the SMLC? ___________________

Discipline you wish to tutor:  (check all that apply)  Are you currently employed on campus?
   □ General Chemistry  □ Yes
   □ Organic Chemistry  □ No
   □ Physics
   □ Math
   □ Statistics

If yes, for how many hours each week? ___________________

Are you applying to be a FROG?  Have you previously worked in the JMU Learning Centers?
   □ Yes
   □ No

If yes, for which center? ___________________

I am confident in my academic abilities and interpersonal skills to be a tutor for the following courses I have completed at JMU:

1. _________________________________________________________
2. _________________________________________________________
3. _________________________________________________________
4. _________________________________________________________

On a separate sheet(s) of paper, please provide answers to the questions below: (Maximum: 3 pages)
   1. Why do you want to work at the SMLC as a peer tutor?
   2. What qualities do you have that would make you a good tutor?
   3. What experience do you have in tutoring?

Please submit this application with a copy of the following information:
   □ Anticipated weekly schedule for the upcoming semester
   □ Resume with the contact information for two academic or professional references from JMU or previous employer. (They will need to complete a letter of recommendation form)

I hereby attest that all information contained in this application is truthful and accurate.
