

Workplace Readiness Skills for the Commonwealth Grades 3 – 5 School

Professional Knowledge and Skills

11. **Health and Safety:** Follows safety guidelines and manages personal health

Objective: The student will identify ways to be clean.

Activities:

1. Use glitter lotion to see how germs can spread...see link below.

<http://atozteacherstuff.com/pages/334.shtml>

2. Visit a dentist office to see how to keep your teeth clean. Give out free toothbrushes and tooth paste.

3. Have students brush their teeth every day after lunch.
