Professional Knowledge and Skills

11. **Health and Safety:** Follows safety guidelines and manages personal health

Objective: Child will manage personal hygiene.

Activities:

1. Have child use a schedule to manage personal hygiene (e.g. showering daily, tooth brushing, hair brushing, selecting clean clothing, using deodorant).
2. Label designated areas in the house to place dirty laundry and clean laundry.

Objective: Child will follow safety guidelines.

Activities:

1. Teach children to read warnings and direction labels on medications and household products and discuss dangers.
2. Read safety guidelines on small appliances. Discuss the reason they have these guidelines. Ask child to use the appliance following the guidelines.
