

Workplace Readiness Skills for the Commonwealth

Grades 3 – 5

School

Professional Knowledge and Skills

12. **Organizations, Systems, and Climates:** Identifies “big picture” issues and his or her role in fulfilling the mission of the workplace

Objective: The student will tell 3 ways that they can participate in a class activity.

Activities:

1. Student identifies their weekly jobs from the job chart.
2. Do a recycling project as a class.
3. Do an activity together to help someone else and if everyone participates they can earn a pizza party.
