

Workplace Readiness Skills for the Commonwealth

Grades 6 – 8

School

Professional Knowledge and Skills

12. **Organizations, Systems, and Climates:** Identifies “big picture” issues and his or her role in fulfilling the mission of the workplace

Objective: Student will identify their role as a member of their school system.

Activities:

1. Read the school district and school mission statement. Discuss how this impacts each member of the classroom.
2. Develop a classroom mission statement and determine each person’s role in fulfilling the mission.

Objective: Student will identify their economic, political, and social role on a local, national, and global level.

Activities:

1. Students will identify how their actions or behaviors have a positive or negative impact on the world around them.
