Professional Knowledge and Skills

12. **Organizations, Systems, and Climates:** Identifies “big picture” issues and his or her role in fulfilling the mission of the workplace

Objective: The child will identify the roles of the family members.

Activities:

1. Have your child look at pictures of each family member and talk about the jobs they do that help the family (Mommy/ Daddy work to earn money to help buy things the family needs, children help clean up their toys and listen to their Mommy/Daddy when they ask them to do something, etc.)
