

Workplace Readiness Skills for the Commonwealth Grades 6 – 8 School

Professional Knowledge and Skills

13. **Lifelong Learning:** Continually acquires new industry-related information and improves professional skills

Objective: Student will identify personal characteristics and learn about skills needed for school and career.

Activities:

1. Identify characteristics of a good student.
2. Each student sets personal goals to work towards becoming a better student.
3. Teach students to use new study strategies.
4. Have students complete an interest inventory and determine skills needed to perform jobs that may interest them.
5. Involve students in career day.
6. Teach career units and invite guest speakers.
