

Workplace Readiness Skills for the Commonwealth

Pre-school – K

School

Professional Knowledge and Skills

13. **Lifelong Learning:** Continually acquires new industry-related information and improves professional skills

Objective: The student will identify community workers and what they do.

Activities:

1. Take Field Trips to various community locations (e.g. fire houses, police stations, hospitals, retail stores, etc.). Provide activities in the classroom centers and small groups that pertain to the community workers (e.g. dress ups, role play, etc.).
2. Invite community workers to the classroom to share their job experiences. Use books and pictures to introduce children to each job prior to visit. Include activities pertaining to each occupation after the visit.
3. Provide puzzles, books and puppets in the classroom to support the knowledge and identification of community workers.
