Professional Knowledge and Skills

14. **Job Acquisition and Advancement:** Prepares to apply for a job and to seek promotion

Objective: The child will learn the value of jobs.

Activities:

1. Take your child to work and discuss that adults have jobs for both the making of money and the enjoyment of the job.
2. Assign chores and reward your child when he/she completes the chore.

Objective: The child will learn how to advance in the workplace by demonstrating high quality performance.

Activities:

1. Take your child to work and discuss the differences in people's positions and how they earned their positions.
2. Assign more challenging or less appealing chores but give more desirable rewards.
3. Base level of reward for chores on quality of performance.
