18. **Job-Specific Technologies:** Selects and safely uses technological resources to accomplish work responsibilities in a productive manner

Objective: Child will turn on a computer and access an age-appropriate computer game.

Activities:

1. Sit next to your family computer and post the “computer use rules” you have for internet and instructional game uses. Post the “rules” over the computer. Use pictures and/or words for explanation.
2. Turn the computer on and have the child place the cursor over a preset shortcut to an instructional software website.
