Technology Knowledge and Skills

20. **Internet Use and Security:** Uses the Internet appropriately for work

Objective: Child will use the internet appropriately.

Activities:

1. Set time limits on using the internet. Teach child to determine how much time they are allowed to use the internet each day. Child learns to monitor him/herself on time allowed on the internet.
2. Teach child how to determine what are appropriate and inappropriate sites.
3. The child will use the internet to locate sale ads and coupons for grocery shopping.
