Technology Knowledge and Skills

21. **Telecommunications:** Selects and uses appropriate devices, services, and applications

Objective: The child will identify uses of technological devices.

Activities:

1. Go to stores (i.e., Kohl's, Target, Kroger) and observe and discuss the different technologies in use.
2. Make a list of technological communication devices used in the home.
3. Ensure your child understands how to use technological communication devices in the home to summon assistance (e.g. 911).
