#### Technology Knowledge and Skills

21. **Telecommunications:** Selects and uses appropriate devices, services, and applications

**Objective:** The child will understand how to get help from an adult when there is a problem or when a pop up box comes up.

**Activities:**

1. Model behavior to your child showing when a box pops up an adult needs to be called. Show child what a pop up box is and explain how these can hurt the computer.

**Objective:** The child will observe and identify appropriate technology use.

**Activities:**

1. Act as a role model with regard to technology use; exploring possibilities, limiting time use and emphasize rules to be followed.
