

Workplace Readiness Skills for the Commonwealth Grades 1 – 2 Home

Personal Qualities and People Skills

3. **Teamwork:** Contributes to the success of the team, assist others, and requests help when needed

Objective: The child will complete an activity using all family members.

Activities:

1. Decide on an activity that uses all family members. (raking leaves, washing car, etc..) Involve children and adults in gathering necessary supplies. Assign tasks to each person. Complete the task while monitoring child's need for help.

2. Use puzzle time or game time to bring all family members together to complete an activity.

3. Lessons in Team Work from Geese. Read and discuss the concepts and how they apply to your family.
