

Workplace Readiness Skills for the Commonwealth Grades 11 – Post High School

Personal Qualities and People Skills

3. **Teamwork:** Contributes to the success of the team, assist others, and requests help when needed

Objective: The student will work with a group towards a common goal.

Activities:

1. Give a group of students a project that requires each member to contribute equally.
2. Make student responsible for requesting needed accommodations in the classroom (or at work).
3. Give students a dilemma in which they must work together to find a solution.
