#### Personal Qualities and People Skills

3. **Teamwork:** Contributes to the success of the team, assist others, and requests help when needed

**Objective:** The child will work together with his/her sibling to help with home chores and recreational activities.

**Activities:**

1. Use a chore chart. Parents will reinforce good behavior and team work by modeling how to work together and then giving rewards for good team work. One reward may be to have a family night out to celebrate.
2. Discuss team work in regards to their own team sports and activities.
3. Plan a birthday party together for a family member.

**Objective:** The child will learn to help if one is sick or has an after school activity.

**Activities:**

1. Make a list together what they will do for each other and a list of consequences if they don't help.
